

Career Opportunities

Kamigata is a Flagship Aveda Lifestyle Salon and Spa, located in a fantastic city centre location, opposite John Lewis, Karen Millen and Coast. We provide industry leading employment packages including generous staff benefits package.

To grow our business, we are looking for top hair, colour and spa professionals to join our team.

Benefits Package

We offer an industry leading staff benefits package.

After a qualifying period in post, all staff can opt for free BUPA health care, get an extra days leave on their birthday and also a further days leave for each year's service. An annual bonus is payable in August each year dependent on the financial performance of the business and the length of service of each member of staff.

We are seeking to recruit a fluent Welsh speaking Stylist, Senior Colour Technician and a Colour Technician. The job roles are as follows;

Stylist or Senior Stylist

- Fully qualified to at least NVQ level 2 for Stylist and level 3 for more senior roles
- Used to running a busy column
- A good attitude towards learning
- Must be fluent in Welsh and able to converse with clients naturally
- A team player

Senior Technician is:

- A clear and in-depth understanding of colour theory and application
- At least four years of qualified experience
- Qualified to a level 3
- Advantageous but not imperative to have previously worked with Aveda
- Confident in colour changes
- Used to running a busy column
- A team player

For the Technician:

- A fair understanding of colour theory and application
- A good attitude towards learning
- Qualified to at least level 2

- Used to running a busy column
- A team player

For the Assistant role:

We are looking for creative, ambitious individuals who are eager to learn. The successful candidates will be hard working, polite and have the ability to use their own initiative. The role includes greeting clients, offering Aveda Rituals, maintaining the salon floor & dispensary area and offering the best in customer service. In return Kamigata Lifestyle Salon & Spa offers a great health care package, a whole day dedicated to in salon training every two weeks and great environment to work in.

Mathew Wickham our Head of Department for Colour is now looking to recruit an Assistant with an interest specifically in becoming a Colour Technician. A passion for colour is essential.
